

CAROLE ROBERTSON CENTER
for Learning

FALL NEWSLETTER

Carole Robertson Center for Learning is a community partner of Illinois Action for Children. Funding is provided through the Illinois Department of Human Services.

We are excited to celebrate fall and launch our first electronic newsletter. Below, you will find a wealth of information to help you serve the children and families you work with. You will also find professional development resources, like our new online registration website and other professional development websites. We provide suggestions for remaining DCFS compliant and a short article about COVID-19 safety measures to protect children in your home and center.

Professional Development Resources

Online Registration

Online registration for Carole Robertson Center begins October 7, 2020 and is ongoing until participation spots are full. You can call our offices to register for professional development trainings at (773)-522-5477 Monday through Friday from 9:00am-5:00pm. Our office will remain closed for walk-in registration until further notice.

How to Remain Compliant with DCFS

1. Review the Illinois Department of Children & Family services website at <https://www2.illinois.gov/dcfs/pages/default.aspx>
2. Review the CDC requirements frequently at <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/schools-faq.html>
3. Keep your Gateway registry up-to-date at <https://registry.ilgateways.com/>
4. Record your professional development trainings on your professional development record at <https://inccrra.zendesk.com/hc/en-us/articles/204480125-Self-Report-Trainings>

Guidance for Child Care Programs
